# Atheism

The belief that there was nothing and nothing happened to nothing and then nothing magically exploded for no reason, creating everything and then a bunch of everything magically rearranged itself for no reason what so ever into self-replicating bits which then turned into dinosaurs.

Makes perfect sense.

## WIFE SWAPPING

*Is it possible to combine desire for variety in sexual relations with the maintenance of a stable, happy marriage?*

by Edward Dengrove, M.D.

FROM time to time one reads in the newspapers reports of cases such as that of the Percy Radfords and the George Hauses, of St. Louis, Missouri. These two couples, after a friendship of four months, decided they'd be happier married to each other's partners. At the time the swap was made, one couple had been wed for some seventeen years, and the other for almost five.

Accomplished as it was, through divorce and remarriage, this trade of spouses had legal sanction, as well as the attention of the press. But there is a lot more such swapping than the newspapers ever dis-

cover, because most of it exists on a sporadic basis and does not end in divorce and the remarriage of the alternate couples.

Just recently, for example, I learned of two young men, instructors at a large university, who lived quite circumspectly, each with his own wife, during the academic year. The two couples spent summers together in a cottage they rented jointly, where they split up, each man spending the vacation with the wife of the other.

When this unconventional arrangement was brought to the attention of the university officials they responded with about the degree of enthusiasm you'd expect, and both men were hastily fired.

Had the two young couples been
